SHRIKRISHNA T MOKHASHI

Bengaluru, Karnataka, India | shrikrishnamokhashi2003@gmail.com | +91 8147873908
linkedin.com/in/shrikrishna18 | github.com/Shrikrishna2003 | Portfolio | PrepTrack Live Demo | Viraja Live Demo

PROFESSIONAL SUMMARY

Full Stack Developer with hands-on experience building and deploying Python (Flask), Java (Spring Boot) and MySQL/PostgreSQL-backed web applications. Skilled in RESTful API design, authentication, data visualization, AI API integration (Gemini) and cloud deployment (Railway, CI/CD). Built and deployed PrepTrack, a live full-stack interview preparation platform, and Viraja, an AI career intelligence platform. Quick learner who collaborates well with cross-functional teams and delivers under deadlines.

PROFESSIONAL EXPERIENCE

Software Development Intern | KodNest Technologies - Bengaluru, Karnataka Jun 2026 - Present

- Apply Python, MySQL, frontend development and manual testing to real-time assignments under mentorship from industry experts.
- Assist in delivering project components and strengthen understanding of the software development lifecycle.

Full Stack Developer (Intern) | GlowLogics Solutions Pvt Ltd - Karnataka Feb 2026 - May 2026

- Designed and developed scalable web applications while collaborating with cross-functional teams.
- Enhanced backend systems, integrated APIs and managed databases using Java development tools.

PROJECTS

PrepTrack - Full-Stack Coding Interview Preparation Platform GitHub | Live Demo

Python, Flask, MySQL, JavaScript, Chart.js, CodeMirror, Jinja2, Gunicorn, Railway

- Developed a full-stack web application with Flask and MySQL to log, search, filter and sort coding problems by company, topic, difficulty and status, with CSV export of complete practice history.
- Implemented secure user authentication (register, login, logout) with Werkzeug password hashing.
- Built an analytics dashboard using Chart.js with a 30-day progress trend, company-wise statistics, difficulty distribution, a GitHub-style streak heatmap, weekly goals and an interview countdown.
- Designed an integrated Python code judge with an in-browser CodeMirror editor and REST endpoints to run and submit solutions, auto-grading against stored test cases with a 5-second execution timeout.
- Deployed on Railway with managed MySQL and Gunicorn, using automatic GitHub CI/CD deployments, environment-based configuration and application logging.

Viraja - AI Career Intelligence Platform GitHub | Live Demo

Python, Flask, HTML, CSS, JavaScript, PostgreSQL, Gemini API

- Developed an AI-powered career platform that analyzes resumes against job descriptions and generates career insights.
- Implemented resume parsing and job-description matching to identify skills, skill gaps and compatibility scores.
- Integrated the Gemini AI API for career guidance; built skill-gap roadmaps and interview preparation questions.
- Implemented authentication, session management, password reset and a job application tracking module.

Online Learning Platform GitHub

Java, Spring Boot, MySQL, HTML, CSS, JavaScript

- Built a web-based learning management system with secure user login, course management and student progress monitoring using Spring Boot and MySQL.

TECHNICAL SKILLS

Languages: Python, Java, JavaScript, SQL, HTML5, CSS3
Core Concepts: Object-Oriented Programming (OOP), Data Structures & Algorithms, Exception Handling, File Handling, CRUD Operations
Backend and Frameworks: Flask, Django, Spring Boot, RESTful APIs, Jinja2, Gunicorn, Authentication
Frontend: HTML5, CSS3, JavaScript, Chart.js, CodeMirror, Web Components
Database: MySQL, PostgreSQL (Basic), DBMS, Database Design, Schema Design, SQL Queries
Tools and Deployment: Git, GitHub, Railway, CI/CD, Environment Configuration, Application Deployment, Logging, Manual Testing
Professional: Problem Solving, Troubleshooting, Critical Thinking, Communication, Team Collaboration

EDUCATION

B.E. in Computer Science Engineering | CGPA: 8.27 2026
Smt. Kamala & Sri Venkappa M. Agadi College of Engineering & Technology, Laxmeshwar

12th Grade (PUC) | Sachethana SC PU College, Hubli-Dharwad 2022
Score: 80%

10th Grade | Nehru International Public School, Guledagudda, Bagalkot 2020
Score: 72.4%

CERTIFICATIONS

- Fundamentals of Java Programming - Board Infinity (via Coursera), May 2026
- HTML5: The Language - Infosys Springboard, Mar 2025
- Python and Artificial Intelligence Bootcamp (Parts 1 and 2) - Devtown, May 2024
